

Saturday Evening Hosta Hat Contest

*This year's theme is 'Naughty' hosta names - but there's a twist.
Hope you're good at charades.*

You will have one minute to quietly communicate the naughty hosta name you've chosen to theme your hat around. A video will be taken of your antics before our panel of three judges. The top three winners will have their video shown during our awards ceremony.

The judges will be outside the ballroom doors one hour before Happy Hour. Please come and make your video at this time.

First Prize

a single division of
H. Dorothy Benedict OS

Second Prize

Basket filled with
Gardening Items

Third Prize

Bottle of Wine

Points are awarded for the following:

15 pts - originality

10 pts - awarded based on the time it took the judges to guess the hosta name
(points will be deducted if you speak or make any sound)

15 pts - size (because we all know bigger is better)

You are only limited by your imagination. Props are permitted and NO written messages allowed. Hats may be placed next to the judges table during your charade. You can answer their yes/no questions with a thumbs up or down.
